Father Joseph Jacobi

Pastor St. Eugene Catholic Church

Subject: Letters from Concerned parishioners

Dear Father Jacobi,

We are delivering the first bundle of letters received from concerned parishioners of St. Eugene addressed to you. These are in addition to the letters and e-mails sent to you directly and a letter given to you previously with 35 signatures. The sum total represents over 140 parishioners who are requesting a meeting with their Pastor and only their Pastor regarding the infiltration of the IAF/OSC into our church.

The parishioners feel that after many years of investing their time, talent and treasure in sustaining St. Eugene parish their request is reasonable.

We would like to submit the date of December 17, at 7:00 P.M. at St. Eugene for our meeting. We respectfully anticipate your reply.

May God Bless Us All And Our Parish,
